Green Valley Middle School after school program discontinued

Fairfield, California (Thursday, August 9, 2012)—The City of Fairfield's The Place 2 Be (TP2B) program at Green Valley has been discontinued for the coming school year. Due to recent budget cuts, the program is unable to continue for the 2012-13 school year.

The after school program at Grange Middle School, which is funded through a California Department of Education After School Education and Safety grant, is unaffected.

The Place 2 Be offers students a safe, fun environment to participate in after school enrichment activities. The program provides a homework club, academic enrichment activities, physical play and sports, arts and crafts, special events, and plenty of fun and games to encourage good character, self-esteem, and motivation to excel. Hours of operation at Grange are Monday through Friday from the end of the school day to 6 p.m.

For more information on TP2B, visit www.fairfield.ca.gov or contact Todd Grames, (707) 428-7740, or tgrames@fairfield.ca.gov.
